EDITOR'S LETTER

Another couple of months has past and we find ourselves here again, life could be worse! And who have we got in this month's issue to get us all excited and out from behind our desk in the office? We've got a few Mayfair legends in the form of Zara Mae, Ella Hughes and Amy Green. We'll never get tired of seeing any of these beauties with or without their clothes on, but if we had to choose we'd go with the latter! Lauren Louise and Atlanta are making a pleasant return to the magazine, it's been far too long, and we hope we don't have to wait that much longer to see them again. And then that brings us to Gina, the pocket rocket! She's so tiny we could fit her in our hand. Sadly, our hand is busy doing something else!!!

Dear Mayfair,

What do you think's the perfect dish to eat off a cock? My boyfriend and I love to spice up our sex life with sex games and one of our recent faves has been to eat food off of and from out of each other's naked bodies.

Darren, my lover, prefers to eat strawberries from my wet snatch, but I've yet to discover any-thing that makes his cock taste any better than it already does – I think I just love to eat spunk more than anything!

So far I've tried jam, chocolate, honey, and even whipped cream that he first smeared all over my cunt and then fucked into me. That was a pretty hot session, my pussy juices mixed with his cock juice and some fresh cream really got me horny (I confess I fingered myself every day for a week after that one!) but I still can't find anything that I really love to eat off Darren's dick. Do you have any ideas, sweetie?

Dear Mayfair,

I am not sure where I am going with this story; I guess a bit of advice wouldn't go amiss. I am Tim and I am 45-years-old. I am married to Lesley, who is 51. Now, before you all moan, Lesley has a fairly good figure.

Okay so her bum's a bit big but she does have great tits, and red hair, and when she puts her glasses on and lipstick she does look very sexy.

We have been married for 16 wonderful years, and enjoy each other's company.

Lesley works in the kitchens of a large factory, and, way back in June, she and some of her col-leagues went to a 40th birthday party.

Lesley wore a very simple red dress, which buttoned all the way down the front.

At about two in the morning, she came home.

"Had a good time love?" I asked. Yes, she said, and jumped on me. As I slid my hand up her dress I found her knickers were soaking. "What's brought this on?" I asked, but she just mumbled something incomprehensible and dragged me upstairs, where she whipped out my cock and straddled me, with her dress round her waist and her knickers pulled to one side. It was great, but I never found out what excited her exactly... until now.

Two weeks ago she fell out big time with one of her work colleagues, who told me what had happened that night: towards the end of the party, Lesley was waiting for Margaret, her colleague, who was chatting to some blokes, when the host complained to Lesley about not getting a birthday kiss, so she gave him a peck on the lips, looked at him and gave him another, then another, and then it was a full blown snog.

Within seconds, he had got Lesley's dress open and his hand in her panties. She sat on the edge of a table and got his cock out, he then laid her back pulled her knickers to one side

and fucked my wife.

Apparently she was mad for it, after he had come inside her, he pulled out and Lesley started to sit up, but another voice said 'my turn' and Lesley simply laid back down again and let this other man come inside my wife.

"Margaret," I said, "just how many people fucked my wife that night?"

"Six," said Margaret.

"Yeah, and muggins here made seven."

At least now I understood why her panties were so wet! When I got home, I told her I knew all about it, and she burst into tears saying she didn't know what came over her.

About six blokes by the sound of it, I thought.

Anyway in a strange way the thought of it excited me, but I am still a little unsure what to do about it?

Dear Mayfair,

Thank you so much for last month's issue of Mayfair. Let's just talk about the girls; Amber, Katherina, Dolly, Jasmine, Nicole, Angelina, Suzi, Heather and most importantly Cara Brett! Every single model is top notch, but Cara is by far my favourite. I can't believe that there are women out there as attractive as her. I don't know what I would do if I bumped into her in real life!

Peter, Liverpool.

Dear Mayfair,

I'm a computer engineer, and a bit of a messy one, so there are always bits and pieces from my work scattered about my home.

The other morning, my girlfriend made the mistake of using my air canister as a deodorant (it's meant to be used to clean keyboards, delivering a very powerful jet of air into the tiniest of spaces!). Anyway, I just happened to walk into the bedroom to the sight of Laura, for that's her name, with her legs spread wide and the thin straw that runs from the canister's nozzle millimetres from her clit!

Dear Mayfair,

I've never seen a pair of tits quite like Dolly Fox's! They're not just huge, but they're perfectly shaped too. Some of these girls have massive tits but they look awful, but Dolly has got it bang on. I'd love to fondle them with my hands, maybe with some soap or lube. Then when I'm nice and hard I'd like to slide my cock right up in between them. Just when I'm ready to come maybe she could open up her mouth and let me in.

Kitt, London.

She had her eyes closed and was using the powerful jet to part her cunt lips and stimulate her clitty. It was one hell of a sight to behold – my bird, stark naked with her knees up by her tits, blasting her pussy lips wide open and frigging her clit with her fingers! I could smell her pussy juice from the door of the bedroom! I stood there, staring at her, my cock growing rapidly inside my suit trousers, for a few minutes, until I recognised the look on her face; she looked as if any moment now she was going to come, and then I realised that if I didn't get my kit off quick sharp and get over there I'd miss out on all the fun! Quick as I could, I got over there, and got myself between her thighs.

I stuffed me cock up her and she opened her eyes in surprise, but said nothing. I took the can of air off her and pulled the little straw out of the nozzle. Then I held it right up against her clit and let her have all of it as I banged away for all I was worth!

The noise she made when she came was incredible! She was so loud she put me off my strokes! Never mind though, she was more than happy to wank me off onto her lovely tits to finish! And the best bit is that I can get these cans of air free on expenses! I've recently

> "she whipped out my cock and straddled me, with her dress round her waist and her knickers pulled to one side."

discovered a great new way to make my girl come. The other day, I came home and she was in the bath, with the radio on so loud that she didn't hear me come in or even call out to her form the hall.

As usual, I had the horn, and since my old lady was already in the buff, I thought I'd pop up there and cop a feel of her bod.

When I walked in she had her back to me and was up on her knees washing her stomach and still singing away.

I grabbed the showerhead and switched it on just as she leaned forward to grab the shampoo bottle, exposing her lush, curvaceous arse, all wet and shiny! I switched it on and turned the head to the powerful, thinnest setting and gave a gush of hot, hard water right up against her butt.

She squealed as much with shock as anything else and turned round to see me laughing. After calling me a few names she leaned forward again to get the shampoo and I let her have a hot jet of water right up her arsehole!

I was expecting her to scream again but instead she stayed up on her knees and opened her legs a little wider to give me better access to her pussy. Hello, I thought to myself, looks like she's been playing with herself in the bath again because I know what that means, that means she wants to get fucked.

I thought I'd play with the showerhead for a bit and then strip off myself, get in with her and fuck her senseless from behind. So I brought the jet of water right up to her ring piece and sprayed it around her tight little arsehole.

To my surprise, she started bucking back against it like it was a hard, wet cock and she was getting some right up her!

Her hand came down and she started to frig her clit hard and fast, and then she slipped her index finger up her cunt and before I knew it she had a massive orgasm! Her knees gave way and she slid down into the bath water exhausted.

I was a bit miffed that I wasn't going to get in the bath with her and fuck her lovely pussy, but she made up for it by sucking my dick as soon as she got her strength back.

The funniest thing is that she asked me where I'd learned how to do that with a shower – she reckoned I'd been having an affair!

Lauren

Forever...

It's no real surprise that Lauren Louise's porn career is flying. After all, she's got good natural boobs, smouldering dark looks, and likes to accommodate a huge penis in her bottom. It's a no-brainer. "I want to visit Los Angele one day," she tells us. "Do the Walk of Fame, see the Hollywood sign, really go the whole tourist hog And then, on my last day, I want to get gang-fucked by a load of American guys and coated in cum. Can we make that happen?" I'll look at my contacts, but I'm sure we can make your American experience a great one.

Dear Mayfair,

Last year my wife, Felicity, and I took her best friend, Jude, on holiday with us. Jude has a dog, which we had to bring along with us, so every night we'd take it in turns to go out and walk the dog together.

One night, near the end of our holiday, we'd all been in the local pub for most of the evening and when we got back to the house I volunteered to go with Jude to walk the dog. Felicity was pretty smashed by then so she went off to bed and Jude and I headed for the beach with her dog.

As we walked along the beach, Jude was talking about her love life, or lack of one, and I was complimenting her, telling her she was a very attractive woman - and, at 5"8' with a slender figure and gorgeous strawberry blonde hair that tumbled down her shoulders, and she was always dressed in such a way that I was never able to look at her without thinking about what kind of a lover she'd make. Her full breasts had been the main feature in many of my dreams for some time now.

As we walked, Jude slipped her arm through mine and then kissed me on the cheek.

"Thank you," she said, "for being so sweet to me."

We looked at each other for a moment and then I put my arms around her and kissed her passionately. Jude gave as good as she got, pulling me closer by my hips when she felt my fat dick harden against her stomach.

I pulled her down to the sand with me, still kissing her mouth and neck and Jude wrestled with my trouser belt. When he had that undone, she slipped a hand inside my trousers and grabbed hold of my cock, freeing it from my boxer shorts.

I slid her cotton summer dress up her thighs, feeling her soft, silky skin as my hands neared her buttocks. Jude wanked my dick fast, biting my neck and telling me that she'd always wanted to have me. Then she moved down my body until her face was over my dick. She looked me in the eye and said, "I've dreamed about doing this for you," before she sunk her face down over my cock, running her tongue along the underside of my penis.

It was amazing, her beautiful face wrapped round my throbbing meat is something I shall never forget – she was going to get a mouthful of my spunk in no time at all at this rate. But I wanted to taste her pussy before I'd come and it was all over, so I told her to sit on my face and suck my dick.

Jude stood up and slipped off her white cotton panties before straddling my face. I watched her strawberry blonde pussy come closer and closer until it was mere millimetres from my mouth, and then I reached up and grabbed hold of her by her hips and pulled her sweet, fleshy cunt down to my waiting tongue. She was so turned-on that her flower was already open and glistening in the moonlight, I ran my tongue through her pussy lips and into her hole, pulling her down and making her ride my tongue as my nose was jammed into her tight little arsehole.

Soon we were both so into what we were doing that I had three fingers in her snatch and she was squeezing my bollocks tight as she tried to take me all the way down her throat. Together, we came – I jammed my tongue into her arse as she bucked against my three fingers while at the other end my spunk was hitting her on her chin as she gripped the base of my shaft.

We cleaned up as best we could with some sea water and on the way back home Jude told me that she had often dreamed of fucking me, and I confessed to her the same. Then, by the time we'd got back to our apartment, I was rock hard again and told her that before we went in she had to show me her tits.

They were fulsome and milky white and I could not resist weighing them in my palms and having a little lick on them. That in turn got Jude all hot and horny again and she pulled my dick out of my trousers again and guided my hand inside her pants.

The thrill of us being caught by my wife turned us both on immensely as we were right under our bedroom window, and I had her coming in my hand quickly. This was going to be the only chance I'd ever get so I asked if I could come on her tits. She squatted down in front of me with her dress unbuttoned and her bra pulled up and she sucked her own come from my fingers and wanked my big dick with both hands. I showered her boobs in my spunk and then she used my helmet to rub it in before we straightened everything up and went to our separate rooms.

My dick gets hard just thinking about her body, I don't know how I'm going to be able to keep my hands off her from now on...

Dear Mayfair,

Thank you so much for putting Suzi Star back in your magazine. She's so beautiful in a really simple way. I hope she doesn't mind me saying that! I'm a single Dad and she looks just like one of the Mums that picks her kid up when I'm collecting my son from school. I don't need to wonder what she looks like naked because I get to feast my eyes on Suzi. Maybe one day I'll pluck up the courage to talk to her, but for the time being I've got Suzi to keep me company!

Ethan, Hove.

Atlanta

Atlanta hasn't been in Mayfair for over two years, and she doesn't look very lost from where we're sitting. In fact, quite the opposite, she looks to be found again, and rather in her element, if truth be told. "I love being in front of the camera, it makes me so wet thinking about all the guys who are going to look at me flashing my pussy for the lens. "And, then sighing again she added, "All that creamy hot seed, splashing out. I wish it was firing all over my tits rather than dissolving the pages of the magazine." My dear girl, if that was the case, you'd be drowning in jizz! "Sounds marvellous to me!"

Strike a pose! Which is exactly what the olive-skinned goddess Zara Mae has done, and in a very erotic manner too might we add. What wouldn't we give to be sat on that couch right next to her taking in the view of those shapely legs and the rest for that matter as well? At first glance, you might think that Gina is a classic reveller, ready to throw back shots, dance on tables and then run naked into the sea, providing she is near a coastline of course. But it appears we may have been a bit far-fetched in our assumptions about Gina. "Of course I do like to go out with friends, and I do occasionally end up in a club, but I'm at my best with a chosen few out to dinner or in a pub, mainly because I like to hear what people have been up to and have a good laugh. Though I have run into the sea naked and it was bloody freezing!" Gina's gift is that she always leaves you wanting more, and we suspect there's a lot more than meets the eye when it comes to this beauty.

Lola Red

Here's a fresh face for Men Only as the beautiful Lola takes to the lens in style. Afterwards, Lola confesses she can be quite shy when she's the centre of attention. Though we wouldn't have guessed it, especially after she whipped out her favourite toy for a quick play, it seems she was so turned on by the thought of everyone seeing her naked pictures she just couldn't help herself. "I was so horny I thought I was going to explode!" You can explode all over us anytime you like.

Ella Hughes

Recently we were lucky enough to join Ella Hughes on the sofa for a little tetê a tete, as the glamour puss fills us in on what's she's been up to. "Lots of work and lots of play, but seeing as work never feels like work, I should just say all play." Would you say this is your dream job? "It's not something I thought about doing growing up, I just wanted to do something I loved. But I love this, so yea, I guess this is the dream job." There aren't many people who can boast that can they? "I've always been a lucky girl in more ways than one." So, while Ella is fulfilling her dreams, she will be filling ours.

Sylvia

Although Sylvia Wilson tells us that she has never modelled before, it is not unusual for her 37-23-36 physique to spend all day in the confines of a studio. But there's not a photographer to be found in Sylvia's recording studio – just a bunch of head-phoned engineers.

'You see, I work for a jingle agency,' explained Sylvia, 'which is just like working for a job agency, except that jingle agencies sell jingles. Know what a jingle is? Well, it's the catchy music behind TV and radio commercials.' So, if you bump into Sylvia just hum her a catchy tune – she may be able to help you make you a fortune. 'Just think' continued 24-year-old Sylvia, 'some of the popular commercials you've heard on the television or radio – for example, the recent ones for Abbey National, or C&A, McDonald's, PanAm, well, the list is endless – and there's always a few seconds of catchy music in the background. The idea is that you hum the tune as well as the words to the commercial after you've heard it. It's the best way of getting a sales message across, and some of the top jingle writers in the field – like David Dundas and Mike Batt – do very well when they come up with a catchy number.' But before everyone starts phoning their favourite tunes in, Sylvia explains some of the complexities of the business. 'For a start you have to make the tune fit around the sales message the advertising agency has already written; you'll be competing against several other musicians, and usually you have to produce the tune in its final form.'

So, what exactly compelled Sylvia to move her fabulous figure from a recording studio to a photographic one. 'I won't give you any bullshit. The point is, when you rub shoulders – and a few other places besides – with the rich and famous, you want a bit of it for yourself as well. Oh, I don't want to be that rich, but I just wanted to be the centre of attention myself for once. That's honestly for you, isn't it. You can take so much of being a backroom boy, and although I haven't got a gift for music I was gifted with a great ass, so why should I keep it to myself?' Why indeed? It's music to all our eyes.

"How many pints do you want?"

Amy Green

If there's one woman we know who has the ability to hold a room as soon as she walks into it, it's Amy Green. The fun and glamorous blonde easily captives our attention in her white lace lingerie and we're already chewing our cheeks before she's even slipped a strap off her shoulder. We're sure this is nothing new to Amy, but she's modest all the same. "I don't think I'm anything special; I just happen to enjoy taking my clothes off in front of a camera, and when there are no cameras around too." And boy is she good at it!

Quest.....

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we – and here they are!

E-MAIL CONTACT@PAULRAYMONDMEDIA.COM

"Tonight's the night," I mused as I pulled on the pair of fancy knickers Julian had given me for my birthday. Tonight I would accept nothing less than a thorough drilling from Julian's dick, I vowed, as I slipped something special into my handbag.

Julian and I had been dating nearly two months and we still hadn't had full penetrative sex. Initially, I'd been reassured by Julian's gentlemanly ways, but now I was getting desperate. No more frustrated fumblings – my cunt was hungry for cock. "I want you inside me," I'd whispered on our last date, before slipping down onto my knees. There was no room for misunderstanding as his big knob prematurely filled my mouth with protein.

Eventually, Julian invited me to his flat, a modern, new build affair complete with its own bar area. The evening was electric with sexual apprehension, and a bottle of wine later we were in each other's arms again, kissing and caressing, him groping my bum, me feeling his stiffness, as I drooled seduction into his ear. "I'm so horny – I want you to do me! I get wet thinking about it! Do you know what I do when I can't stop thinking about your big stiff dick?"

Julian let out a groan as I unzipped his jeans. I was now tipsy enough to actually go ahead with my special surprise. "Want to see how I punish myself for liking big cock?" I slurred like a dirty cow as I perched myself on a stool at the bar, letting my little black dress ride up my thighs until the gusset of my transparent black panties was visible. I stroked my mound, and looking closely, I'm sure Julian could probably make out a damp patch already forming on the sheer mesh of my crotch.

"I've got something special that always reminds me of your dick," I purred as I reached into my handbag. Then I pulled out the dick-shaped vibrator I'd brought along. Julian's cock stood to attention as I waved that vibe in front of his face.

"Show me," he panted, his hard-on in his hand. I groaned as soon as my clit felt the vibrations, then I tugged my sticky knickers aside and let Julian watch me work my pussy. My juices trickled down my thighs as I slammed the solid pink monster into my snatch. "Fuck me, you're so big and hard, stuff your cock up my tight cunt!" Finally, unable to resist any longer, Julian dove between my thighs, burying his face in my dripping muff. His tongue strummed my cooze until I was gushing. "Fuck me," I pleaded.

> "I felt his firm hands spread my buttocks as he slid his cockhead between my pussy lips. With a single thrust his cock filled me up."

Then we staggered to the bedroom. On the bed, Julian was hard in my mouth. I gobbled his helmet as he fondled my nipples, then he grabbed me by the hair, helping me deep-throat him until I was almost gagging on his solid shaft. Then, when there was nowhere left to go, he turned me around, and I felt his firm hands spread my buttocks as he slid his cockhead between my pussy lips. With a single thrust his cock filled me up. "You like to be fucked from behind like a dog?" he snarled, his meat pistoning back and forth, my bum slapping against his belly.

"Fuck yes!" I replied. "Please fuck me hard..." I whimpered, rubbing at my engorged clit as my climax began to rise deep within my pelvis. Then, suddenly,

"Oh shit, fuck my cunt! Give me your spunk!" I howled as Julian ignited my orgasm. And as I trembled in climactic pleasure I felt his prick jerk inside me, and with a grunt he slid out of my twat.

"Want my spunk, babe?" he growled.

"Where do you want it?"

"All over my tits," I gasped, pushing my boobs together. I love to see a big, hard cock spunk wads of thick jizz all over my tits – and that's exactly what I got! This was our first full-on fuck, and while it might not have been as romantic as I'd anticipated, Julian certainly proved himself a consummate cocksman. He even let me stay the night, and in the morning I sucked him hard and rode his knob until he spunked inside me for the first time. But it wasn't to be the last...

I'm a bit of an exhibitionist slut, so I thought I'd write to you about one of my dirtiest ever escapades. I work as a secretary in an office building where the caretaker is a total skirt-chaser who's always making rude gestures at me. I could have long since got him fired for sexual harassment, but he's a fit, thirtysomething bloke, and I actually enjoy the attention he pays me. In fact, I like it so much that one day I thought I'd give the cheeky bugger a little treat.

I had Cindy, one of my bisexual friends, come to the office under the premise that, after I'd put in a few hours overtime, we'd go out on the town. After everyone had headed out at six o'clock, Cindy and I pulled down the blinds, locked the office door and stripped naked. Then, to get us warmed up and wet down below, I cleared my boss' desk and had Cindy lie spreadeagled on it. Then I climbed alongside her in a 69 position and said, "Hold your pussy flaps open!"

She did so, and when I could see the glistening pink inside of her cunt, I dove in with my tongue. Cindy let her cunt lips fold around it as I licked and lapped at her juiciness. As I did that, she started fingering my twat. She knows exactly how I like it, and it wasn't long before I felt the initial tingling of an orgasm starting deep down in my hole. As it rose Cindy suddenly murmured, "Oh yes, yes, I'm almost there!" As she had a pelvis shuddering orgasm, my own kicked in, resulting in me squirting a tiny jet of juice as Cindy pulled her fingers from my pussy.

We gave each other a few minutes to recover. Then we hid our nakedness under our coats, I stuffed my knickers into a pocket, and we headed off to the stairs.

As we walked down we could hear Jack the caretaker a couple of floors below.

When we were on the floor above him, Cindy and I took off our coats. Just before we started our show, I pulled the pants out of my pocket and, when Cindy was bent over one of the handrails and I was licking away at her cunt, I dropped them in Jack's direction to get his attention.

I didn't look to check if they'd had the desired effect – I knew that they definitely would. I also knew that Jack's cock would be stiffer than his mop-handle in seconds, and that he wouldn't let on that he could see us. As I slurped away at Cindy's snatch, I arched my arse and spread my legs to give Jack a good look up at my cunt. Then it was time to take things up a notch. Reaching behind myself, I pulled my pussy lips apart. That elicited an involuntary sigh from Jack, but Cindy and I acted as though we hadn't heard him.

After a few moments I stopped and pulled my coat towards me so I could take a vibrator out of one of the pockets.

I reached up and passed it to Cindy, then scuttled on my knees to the edge of the handrail. Cindy came up behind me and started rubbing the toy up and down my slit. It felt amazing, and I wanted to let Jack know it. I let out a long, deep groan and said, "Oh Cindy, my darling Cindy..."

"Quiet, bitch!" she whispered.

"Yes, mistress," I replied.

"I said keep fucking quiet, bitch!" she hissed even louder than the first time, then slammed the vibrator deep inside my cunt. I yelped, then yelped louder as she really drilled me, hard and fast. My entire body buzzed with pleasure, and I knew that if Cindy kept vibro-fucking me in such a furious fashion I'd be cumming again real soon. And then I was. I started shaking from the waist down. I began slapping my hands on the steps screaming, "Oh my God! Oh my God!"

I almost lost consciousness with the intensity of it all. But through my orgasmic haze I heard Jack let out a huge groan, as he evidently shot his bolt. What happened next caused me to crack up laughing.

Cindy called out, "You're going to need some extra-strong cleaner to get that mess up, Jack!"

"Al whipped his dick out of Nicola's pussy and stuffed it down my throat. His dick tasted of her cunt juice. The two of them worked me up into such a fever pitch that all I now wanted was for something big and ugly to vandalize my vulva."

Female intuition can always be relied on to give us girls the heads up when our weaker halves are playing away from home, but it nevertheless comes as a shock when you actually catch the two-timing traitor in the act.

A double shock in my case, since the scheming slag bouncing up and down on my boyfriend's dick was my best friend Nicola. I knew Al had a thing for redheads, but I never expected to walk in and interrupt the two of them doing it on the sofa that I'd paid for!

"Dirty bastards!" I screamed as I bolted across the room and grabbed Nicola's arm, just as she tumbled off my boyfriend's cock. But instead of giving her the slap she expected and deserved, I held my rival close, sticking my tongue down her throat. Meanwhile, Al whimpered apologetically, not knowing quite what to do with his illicit hard-on.

I had the moral high ground and the upper hand here, and I was going to make them count.

"If you want him, you have to come through me first!" I snarled at Nicola while slipping a hand between her legs.

She gasped as I stroked her moist labia. Her nipples were protruding like rubber bullets. Her clit was engorged. This I took as an open invitation to drop my pants and join the action.

"Think you can handle two horny birds, mister?" I sneered at Al, who was surprised to discover that he wasn't the only one eager for a dive in Nicola's ginger muff. "Come on, Al, show us some bone!"

Grabbing hold of his dick, I stroked him hard before feeding the now-rigid meat into Nicola's mouth. "That's it, you wanted it, take it all, suck it," I purred as Nicola began to gag and Al groaned. Then I sprawled on the sofa, legs spreadeagled, pussy pink and glistening wet as I strummed my stiff clit. "Lick me out!"

I demanded. Nicola shoved her face right up against my dripping minge. As her tongue circled the inner folds of my pussy lips, I glanced to the side and saw Al's hard-on all shiny from Nicola's saliva.

"You want her, then stick it in her now," I insisted as Nicola's tongue got my hips bucking. Kneeling behind Nicola, Al guided his knob into her hot slot. I could feel her hot breath panting into my

cunt.

Fuck, she was good at licking me out, and quickly had me on the brink of a minor orgasm, and as soon as I let out a moan of sheer pleasure, Al whipped his dick out of Nicola's pussy and stuffed it down my throat. His dick tasted of her cunt juice. The two of them worked me up into such a fever pitch that all I now wanted was for something big and ugly to vandalize my vulva. "Sit on her face," Al barked at Nicola. He withdrew his cock from my mouth, as Nicola lowered her twat down onto my tongue. Then I felt Al's hands spreading my thighs as he targeted his missile at my gash.

Nicola's hole had a musty perfume, and her wispy ginger pubes did nothing to hide her erect clit, as she ground her crotch down onto my face. Al was obviously turned on by the girl-on-girl spectacle, as I then felt his girth thrust deep into my twat, almost lifting me off the sofa. He pumped me hard and fast. I was overwhelmed, smothered with pussy, impaled by dick.

I writhed and squirmed in an oncoming orgasm that coursed through my entire body. And when Al withdrew from my pussy, I could feel my juices trickle down my arse onto that expensive leather sofa.

Then, as if to prove a point, Al turned his attentions back to Nicola, who licked my lube from his knob. Then he pushed her forward so that her mouth was in licking distance of my pussy, while she offered him rear access to her cunt, just inches away from my face. I watched, close up, as his cock plunged into her juicy flower, and I felt her teeth nibble my clit as her quim dripped its cream onto my lips. I didn't need any intuition to know the three of us would be fucking and relieving Al of his salty spray all night long...

Zafira

We love Zafira Knight over here at Mayfair, but if you put her in the sexiest pair of tights that we've ever seen and then watch first hand as she pulls them so far up that her pussy lips part ways, we might as well us just give up and announce her as another Wonder of The World! A picture never lies and there are quite a few of them, just see for yourself! "Unfortunately, the tights in question didn't last very long!" Zafira told us. "When my boyfriend saw them they became crotchless pretty quickly and ended up in about ten pieces, they cost me a small fortune, but the sex was worth it!"
